Freeborn-Mower Cooperative Services

FARM AND RESIDENTIAL – SINGLE PHASE SERVICE Policy 5.001

AVAILABILITY

Available for single-phase service to all farm and residential consumers with required transformer capacity equal to or less than 75 kVA. Electric service provided under this schedule is subject to all applicable rules and regulations of the Cooperative.

TYPE OF SERVICE

Single phase, 60 cycle, at 120/240 volts. Motors shall not exceed 260 amps inrush current without prior approval of the Cooperative.

RATES

Service Charge:	$35.00 per month
Service Charge – City of Sargeant:	$22.90 per month
Energy Charge:	
	Summer (Jun – Aug): 11.9 cents per kWh
	Winter (Sept – May): 10.4 cents per kWh

All services are required to pay the monthly Service Charge regardless of kilowatt-hours used. No temporary disconnections are permitted. If service is disconnected for more than twelve (12) consecutive months, such disconnections are considered permanent and subject to the idle service charge to be paid annually.

TAXES

Consumer bills for service under this schedule are subject to any applicable taxes.

POWER COST ADJUSTMENT PROVISION

The above rates are subject to adjustment due to increases or decreases in wholesale purchased power costs.

TERMS OF PAYMENT

The net amount stated on the bill is due on the 20th day of the month. If the 20th is on a weekend or holiday, the due date is the next business day. The gross amount is due if payment is not received by the due date. The gross amount includes late payment charge of 1.5% of the total amount due.
