# It's official...

Former customers of Alliant Energy are now official *MEMBERS* of Freeborn-Mower Cooperative Services. **Providing** quality, reliable service is our first priority. As a member of FMCS you now have access to a local office where you can work one-on-one with member service representatives to handle all of your member needs, including paying your electric bill. **Please take note that your first bill from the cooperative may cover more or less days than the normal 30 day period.** The management and staff of FMCS are here to answer any questions or concerns you might have. **We're YOUR electric cooperative.** Please contact us if you have any questions.
